# 1995 Author Index

The following is an index of authors and their articles which appeared  
in *The Manufacturing Confectioner* during 1995.

---

## A

- Allen, Phillip G.**  
Chocolate temper measurement . . . . . May, pg. 91
- Anderson, Leland J.**  
Hard candy: formulations, variations  
and effects . . . . . October, pg. 33
- Apgar, Joan L.**  
Consumer consumption patterns of  
chocolate and confectionery . . . . . December, pg. 31

---

## B

- Belanger, Peter, B.**  
Common sense pest control . . . . . August, pg. 49
- Boortz, John**  
Is ISO 9000 for you? . . . . . August, pg. 46

---

## C

- Terminara, Frank**  
Confectionery industry trends . . . . . January, pg. 43
- Cooke, John**  
Salt water taffy and nougat production . . . . . May, pg. 106

---

## D

- Declercq, Fabien**  
Color applied to the food industry . . . . . June, pg. 51
- Diehl, Thomas F.**  
Modified dairy ingredients . . . . . June, pg. 84
- Dimick, Paul S., PhD**  
Phospholipids influence during  
crystallization of cocoa butters . . . . . May, pg. 127
- Dorian, Dian**  
Consumer testing of confectionery  
products with children . . . . . June, pg. 59

---

## F

- Finley, John W., PhD**  
Chemistry, testing and application of  
salatrim low calorie fat . . . . . November, pg. 85

---

## Fox, Charlie

- Managing plant utilities to get our  
two cents worth . . . . . May, pg. 85

---

## Freund, Peter R., PhD

- Specialty milks and milk derived flavors  
in confections . . . . . June, pg. 80

---

## Fritzsche, Bodo

- Isomalt in hard candy applications . . . . . November, pg. 65

---

## G

---

## Graham, Larry

- NCA president's report . . . . . Monthly

---

## Groves, Reg

- Marshmallow production: technology  
and techniques . . . . . May, pg. 99

---

## H

---

## Hanger, Lisa, PhD

- Acesulfame K: applications in  
hard candy production . . . . . November, pg. 75

---

## Hanlon, James A.

- Study of confectionery performance presents  
a strong case for the industry . . . . . May, pg. 21

---

## Happel, Brian L.

- Crystalline maltitol in the  
manufacture of chocolate . . . . . November, pg. 96

---

## Hartel, Richard W., PhD

- Crystallization and drying during  
hard panning . . . . . February, pg. 51

---

## Haylock, Steven J.

- Dried dairy ingredients for confectionery . . . . . June, pg. 65

---

## Hess, David W.

- Hard candy: cooking . . . . . October, pg. 37

---

## Hintlian, Fred

- Filled hard candy . . . . . October, pg. 61

---

## J

---

## Jarrett, Tammy Nash

- Aspartame in soft confections . . . . . November, pg. 82

---

**Jason, Henri**

The use of non-cocoa vegetable fats  
in chocolate . . . . . September, pg. 77

**Jones, Logan L.**

Aeration of boiled sweets: a review of  
available methods . . . . . October, pg. 47
